Dear Sir or Madam,

Greetings from KLU in Hamburg!!

In this issue of the Counselor newsletter, we are highlighting our relaunched Preparation program, upcoming deadlines and personnel changes on the KLU Student Recruitment team.

Program Relaunch

The KLU Preparation Program will relaunch this intake on our campus in Hamburg! Formerly taking place in Berlin, we will from now on host it at KLU, which is a great thing for your students - they will get to know the KLU community and the city from the get-go and will experience an even smoother transition into their Bachelor studies with us!

This program is for applicants who do not meet the German Abitur equivalent (high school leaving certificate) required for direct entry. To bridge the gap, students must complete our Preparation Program (Studienkolleg). Let us know if you want more info on this program relaunch!

Upcoming Deadlines

Be sure to mark your calendars and let your students know. Although we work on rolling admissions (earlier applications encouraged), our recommended international student application deadline is coming up on March 31st. All international passport holders are encouraged to apply by this date to ensure enough time for visas and to plan.

Personnel Update

To the wonderful KLU Counselor network, I, Nicole Martinetti sign off for my final Counselor update. I will be moving from Student Recruitment and Admissions team at KLU, to the KLU President’s Office as the Executive Assistant in the coming weeks. It has been a joy working with this amazing network and your wonderful students over the past five years in this role. Trust my passion for international education and access will come with me into my new ventures.
