### Competency Goal (CG)

- **CG1 Communication Skills**: Our learners have proficient oral and written communication skills for academic and business purposes.
- **CG2 Evidence-driven decision making**: Our learners have the competency to use scientific methods to make sound business decisions.
- **CG3 Cross-Cultural Competencies**: Our learners are skilled in dealing with the complexity of the cross-cultural challenges and the implications for leadership.
- **CG4 Sustainability**: Our learners are trained in sustainable entrepreneurship in a global environment.
- **CG5 MGT Advanced business knowledge**: Our learners have a comprehensive understanding of the critical role and fundamental concepts in management from a global perspective.

### Degree of emphasis given to objective on syllabus

- **I** = Introduced
- **R** = Reinforced
- **E** = Emphasized

### Objectives

- **LO1.1** Prepare a written argument that is logical, compelling, and clear to the target audience.
- **LO1.2** Present an oral argument that is logical, compelling, and clear to the target audience.
- **LO2.1** Apply scientific methods to answer real-world business problems.
- **LO2.2** Critically assess the quality of scientific analyses.
- **LO3.1** Demonstrate appropriate communication and interactions to reflect cultural differences.
- **LO3.2** Critically assess the quality of scientific analyses.
- **LO4.1** Explain the principles and concepts of sustainability.
- **LO4.2** Effectively deal with people with diverse backgrounds.

### Possible Measurement Point

The colour indicates the place of measurement.
